

Sweep Resort Privacy Policy

Effective as of December 6, 2024

This Privacy Policy for Nashar Services LLC, and its affiliates, which shall mean subsidiaries, parent companies, joint ventures and other corporate entities under common ownership, (**Company**”, “**we**”, “**us**” “**our**”) describes how we collect, use and disclose information about users of the Company’s website <https://www.sweepresort.com/>, the various games available on the website (“**Games**”), services, tools and features (collectively, the “**Services**”). For the purposes of this Privacy Policy, “**you**” and “**your**” means you as the user of the Services.

Please read this Privacy Policy carefully. By using, accessing, or downloading any of the services, you agree to the collection, use, and disclosure of your information as described in this Privacy Policy. If you do not agree to this Privacy Policy, you may not use, access, or download any of the Services.

1. UPDATING THIS PRIVACY POLICY

We may modify this Privacy Policy from time to time in which case we will update the “Last Revised” date at the top of this Privacy Policy. If we make material changes to the way in which we use information we collect, we will use reasonable efforts to notify you (such as by emailing you at the last email address you provided us, by posting notice of such changes on the Services, or by other means consistent with applicable law) and will take additional steps as required by applicable law. If you do not agree to any updates to this Privacy Policy please do not access or continue to use the services.

2. COMPANY’S COLLECTION AND USE OF INFORMATION

When you access or use the Services, we may collect certain categories of information about you from a variety of sources.

Some features of the Services may require you to directly enter certain information about yourself. You may elect not to provide this information, but doing so may prevent you from using or accessing these features. Information that you directly submit through our Services may include:

- A. **Account and Registration.** Users may access our Games only if they register an Account with us. The personal information we collect as part of the Account creation process includes your first and last name, email, username, password, information to confirm you are old enough to use the Services and use the Games, payment information for any purchases (for example, your name and email associated with your payment account). We may also ask you or allow you to submit certain optional information, which may include your updated usernames, preferences, and other profile information.

- B. **Prizes and Payments.** We collect information to process prize winnings, administer payments, comply with the law (including requiring W9 tax forms when necessary), and maintain records of prizes, which may include your email, full name, mailing address, Social Security or Taxpayer ID number, and other information necessary to complete a 1099-MISC tax reporting form, and other relevant tax documentation.
- C. **Feedback.** We collect and maintain records of customer service and other communications with users including survey responses, questions or comments sent to us (including the nature of the request, name and contact information), resumes provided, or other similar activities. This information may be used to enhance the Services or the Games, to market to you or others, and to allow us to make appropriate hiring decisions if submitted for that purpose.
- D. **Usage Data.** We automatically collect information about your use of our Services and the Games through cookies, local storage, analytics tools and other technologies, (“Tracking Technologies”) such as your device ID, location information, device name and model, operating system type, name and version, the length of time that you are using our Services and your activities within our Services (“Usage Data”). We may combine Usage Data with other information that we have collected about you. Please see the section “Analytics and Tracking” below for more information.
- E. **Interactions and Activities.** We collect information about your activities in the Games, such as coin activity, which games you played, time spend in the Games and other factors. We may collect your geolocation information for purposes of using the Games, and for our own due diligence and verification purposes.

We may use the information we collect automatically to tailor features and content to you, to market to you, to provide you with offers or promotions, to run analytics and better understand user interaction with the Services.

Any information we receive from outside sources will be treated in accordance with this Privacy Policy. We are not responsible or liable for the accuracy of the information provided to us by third parties and are not responsible for any third party’s policies or practices. See Section **Error! Reference source not found.** below for more information.

In addition to the foregoing, we may use any of the above information to comply with any applicable legal obligations, improve and develop the Services and our product offerings, including as we describe in our Terms of Service, to enforce any applicable terms of service, to protect or defend the Services, our rights, and the rights of our users or others, and for the purpose of combatting fraud, or to otherwise operate our business. This Privacy Policy is integrated into and is expressly a part of the Terms of Service, to be interpreted in conjunction with such Terms.

3. HOW THE COMPANY SHARES YOUR INFORMATION

In certain circumstances, the Company may share your information with third parties for legitimate purposes subject to this Privacy Policy. Such circumstances may include:

- With vendors or other service providers, such as cloud storage providers, security vendors, data analytics vendors, and payment processors;
- With our affiliates or otherwise within our corporate group;
- When you request that we share certain information with third parties, such as through your use of social media widgets, login integrations, or interactions with other users on the Platform;
- To comply with applicable law or any obligations thereunder, including cooperation with law enforcement, judicial orders, and regulatory inquiries;
- To enforce our Terms of Service;
- To ensure the safety and security of the Company and/or its users;
- With professional advisors, such as auditors, law firms, or accounting firms.

We do not share your data with third parties for marketing purposes.

We will not sell, give away, or distribute the person information that is collected without your consent unless required by a judge with a court order.

4. COOKIES AND OTHER TRACKING TECHNOLOGIES

Do Not Track Signals

Your browser settings may allow you to transmit a “Do Not Track” signal when you visit various websites. Like many websites, the Website is not designed to respond to “Do Not Track” signals received from browsers. To learn more about “Do Not Track” signals, you can visit <http://www.allaboutdnt.com/>.

Cookies and Other Tracking Technologies

Most browsers accept cookies automatically, but you may be able to control the way in which your devices permit the use of Tracking Technologies. If you so choose, you may block or delete our cookies from your browser; however, blocking or deleting cookies may cause some of the Services to work incorrectly or not function at all.

A cookie refers to a file that is sent to request permission to be stored on your computer, by accepting the file is created and the cookie then serves to have information regarding web traffic and also facilitates future visits to a recurring website. Another function that cookies have is that with them the web can recognize you individually and therefore provide you with the best personalized service on its website.

We use cookies to identify the pages that are visited and their frequency. This information is used only for statistical analysis and then the information is permanently deleted. You can delete cookies at any time from your computer or other device. However, cookies help to provide a better service from websites, they do not give access to information about your computer or you unless you choose to provide it directly. You can accept or deny the use of cookies, however, most browsers automatically accept cookies as it serves to have a better web service. You can also change the configuration of your computer or other device to decline cookies. If you decline cookies, you may not be able to use some of our services.

5. THIRD PARTY WEBSITES AND LINKS

We may link to other sites that may be of interest to you. Once you click on these links and leave our site, we no longer have control over the site to which you are redirected and therefore we are not responsible for the terms or privacy or data protection of those other third-party sites. Those sites are subject to their privacy policies and we recommend that you check with them to confirm that you agree with them

6. DATA SECURITY

Please be aware that, despite our reasonable efforts to protect your information, no security measures are perfect or impenetrable, and we cannot guarantee “perfect security.” Please further note that any information you send to us electronically, while using the Services or otherwise interacting with us, may not be secure while in transit. We recommend that you do not use unsecure channels to communicate sensitive or confidential information to us.

7. YOUR CHOICES

We may send periodic informational emails to you. You may opt out of such communications by following the opt-out instructions contained in the email. If you opt out of receiving emails about recommendations or other information we think may interest you, we may still send you emails about any Services you have requested or received from us.

- C. We obtain the categories of personal information listed above from the following categories of sources:
1. Directly from our Users. For example, from when Users register for our services.
 2. Directly and indirectly from activity on our websites and applications. This includes:

authorized agent, please also include written permission that you have designated that agent to make this request, or proof of the agent's power of attorney. We may follow up with you to verify your identity before processing your authorized agent's request. You may also make a verifiable consumer request on behalf of your minor child. In order for your consumer request to be verifiable, you must: • provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative. You will need to provide: (1) full name (2) date of birth (3) address (4) email address (5) whether you are a California consumer pursuant to CCPA (6) if you would like to know the specific pieces of personal information that we have collected about you, or to delete your personal information; (7) identification that clearly shows your name, date of birth and address (for example, passport or other photo identification); (8) describe your request with sufficient detail that allows us to properly understand, evaluate and respond to it.

- I.** We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you. Making a verifiable consumer request does not require you to create an account with us. We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.
- J.** **Response Timing and Format** We endeavor to respond to a verifiable consumer request within 45 days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing. If you have an account with us, we will deliver our written response to that account. If you do not have an account with us, we will deliver our written response by mail or electronically, at your option. Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance. We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.
- K.** We will not discriminate against you for exercising any of your CCPA rights.
- L.** This Notice may be updated from time to time to reflect changes in the way we work or the way our work is regulated. We will notify you of changes by posting changes here, or by other appropriate means.
